2. History of the Company

2.1 The company was incorporated on 28 April 2009 and began trading shortly thereafter. The company generated sales leads for its clients.

2.2 The company began with 3 main clients. The main aims of the company were to provide lead generation through door to door canvassing. The company employed canvassers and paid commission on the number of leads generated. The company grew quickly and was generating approximately 600 leads per week for its three clients.

2.3 The company's largest client then requested that the number of leads for their company be increased to 600 per week. The director visited this client to help develop and train their staff. Following this the client requested that leads be increased further to 1200 leads per week. The company employed extra staff and a team leader to cater for this increase.

2.4 Problems began when one of the company's clients ceased work without explanation and another reduced the number of leads required to 50 per week. The company still had work from its main client, however many of the leads generated were returned to the company with the client demanding credits against those leads.

2.5 The company continued to generate a significant number of leads for its main client, but frequently had returned leads of around 150 to 200 per week. However, this rose to 400 per week and it became clear that the company could not continue to operate with that amount of leads being returned as this was severely restricting cash flow and thereby resulting in a significant increase in liabilities.

2.6 With this in mind, a meeting was arranged with representatives of KSA Group Ltd. Based on financial information provided by the director it was evident that the company was insolvent. After consulting further with representatives of KSA Group Ltd the director felt he had no option but to call the meetings of shareholders and members necessary to place the company into voluntary liquidation.

2.7 The director considers that the main reasons for the company's failure were as follows:

1. The loss and reduction in work from its clients as a result of the economic climate; and
2. A significant increase in the number of leads being returned which severely restricted cash flow.

3. Meetings of Members and Creditors

3.1 At a meeting of the board of directors held on 5 October 2010 it was agreed that meetings of members and creditors should be summoned for the purposes of placing the company into Creditors Voluntary Liquidation. Notices were signed summoning the meetings for 26 October 2010. The notices were issued to shareholders and creditors on 5 October 2010.

3.2 Accordingly, on 26 October 2010 at a meeting of the shareholders, duly convened at the offices of KSA Group Limited, Level 7 Tower 42, 25 Old Broad Street, London, EC2N 1HN resolutions were passed placing the company into Voluntary Liquidation and appointing E Walls and W Harrison, who are licensed in the UK to act as an insolvency practitioner by the Insolvency Practitioners Association, joint liquidators.

3.3 Prior to being asked to advise the directors on the affairs of the company the partners and staff of KSA Group Limited had had no material professional relationship with the company, its directors or shareholders.

4. Transactions with Associated Companies or Trading Organisations

4.1 There are no associated companies or trading organisations.

5. Extracts from Accounts and other Financial Information

5.1 As the company has been trading for a limited period no accounts have been prepared.

6. Statement of Affairs

6.1 A statement of affairs of the company as at 26 October 2010 has been prepared by the director. A summary of the statement of affairs is attached to this report, along with accompanying notes, and an estimated deficiency account in respect of the period of trading.

6.2 As a result of The Enterprise Act 2002 the preferential creditor status of HM Revenue and Customs in respect of PAYE, NIC and VAT, was abolished. This change in legislation also introduced provisions for the liquidator to set aside a certain proportion of the company's net property to deal with the claims of unsecured creditors in advance of the claims of the holder of a floating charge. This is known as the Prescribed Part. **These provisions only apply if a floating charge was created after implementation of The Enterprise Act on 15 September 2003.** The company has no floating chargeholder and therefore the prescribed part rules do not apply.

6.3 The statement of affairs takes no account of the cost and expenses of the liquidation or of realising the company's assets.

7. Business conducted at the meeting

7.1 No creditors attended the meeting other than the director. One proxy had been received in favour of the chairman.

7.2 The chairman opened the meeting and W Harrison of KSA Group Ltd, who had been appointed joint liquidator of the company by the shareholders of JB & V Limited, presented a brief report to the meeting and reviewed the statement of affairs of the company which had been drawn up to the date of liquidation on his behalf.

7.3 There being no further issues raised by the creditors the chairman moved to the formal business of the meeting. Accordingly, creditors approved the following resolutions:

- the appointment of E Walls and W Harrison of KSA Group Ltd, C12 Marquis Court, Marquis Way, Team Valley, Gateshead, NE11 0RU, was confirmed.
- a creditors' committee was not established.

In the absence of a creditors committee:

- The meeting was informed that an agreed fee of £4,000 plus VAT plus disbursements will be paid to KSA Group Limited in respect of the costs of assisting the directors in preparing the statement of affairs and summoning and holding the meetings of members and creditors. The meeting was also informed that KSA Group Ltd had received funds of £4,700.00 from the company's cash at bank.
- it was agreed that liquidators' remuneration would be calculated by reference to time costs incurred by the liquidators and their staff and authorisation was given for the liquidators to draw remuneration on account of those time costs when they felt it was appropriate.
- The liquidator informed the meeting that the current charge out rates for staff likely to deal with matters pertaining to this liquidation were as follows:

	£ per hour
Administrators	40 – 100
Managers	100 – 175
Partners	175 – 300

- It was agreed that all disbursements incurred by the liquidators' firm should be reimbursed at direct cost save in the case of postage, stationery and telephone for which a charge of £7.50 per creditor would be levied, and motor travel where a charge of 50p per mile would be made.
- it was agreed that the level of the liquidators' specific performance bond should be set at £10,000
